

AIRA Pharm enters into new partnership with ORSPEC Pharma from Australia

Scope of business is selling AIRA Pharm products to selected APAC countries. Orspec Pharma is a specialist to sell unlicensed niche products with high medical impact and special patient needs.

The company has a high level of regulatory expertise in orphan designations, product registrations, reimbursement, medical information and pharmacovigilance services.

Radhouane Aissa, CEO of AIRA Pharm, about the cooperation: **»We are happy to partner with Orspec Pharma and do the first step to enter APAC markets with special niche products after establishing business in MENA and Germany.«**

We care.
